

Planning Your Project

Remember your goal/outcome: **Two mini food pantries built, established and supplied for the school year**

To do that, what do you need?

People to help you

Materials/Supplies

Need to Know

(add to your lists if necessary)

Will you need any money? If yes, how much? _____

What are your steps? Number your steps and put a date beside each to remind you of when each step should be completed.
